

IT Administrator
Ref. ITA/PwC – May 2015

We are looking to recruit an IT Administrator to join our busy IT Department. The ideal candidate will preferably be degree educated (although not essential) and must be willing to work outside business hours when requested.

This first line IT support role will primarily include setting up and troubleshooting Windows 7 computers, maintaining our website, creating brand approved digital media using Adobe Indesign, general maintenance of all our IT equipment and protecting our environment by ensuring we adhere to PwC IT security policies. So we are looking for someone who is comfortable paying attention to detail, who is creative and organised, has excellent computer hardware and networking skills and who genuinely works well within a team.

The successful candidate can expect to receive a competitive salary and excellent training opportunities.

If you are interested in applying for this position please submit your CV, quoting the relevant reference, to the Human Resources Officer, PricewaterhouseCoopers Limited, 10th Floor, International Commercial Centre, Casemates Square, Gibraltar.
